## OUR PREMIUM LIST!! WATCHES

Given for Clubs and Single Subscribers.

AN UNEQUALED ARRAY OF OPPORTUNITIES.

I ERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the exciest possible way. Our object in offering

these splendid promiums is to reward our club raisers.

We have been at great trouble and expense in making up this list of premiums. We have lind two prime considerations in view as to the character of the articles: First, we have necepted nothing but the very best things; and, second, we have insisted upon pringrements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called aluminum gold, fire gilt, oryide, etc., which is simply polished brass, but everything in the list is of a class we can warrant exactly as represented. We have also demanded and secured from the manufacturers only the latest and most

We expect that every subscriber will find something he or she will want, and will

send us the club required and get it. We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz., \$1 a year for

each subscriber, must accompany the name sent. Write all addresses very plainly, giving full name, Postofilee, County and State. Much trouble is saved by mover omitting the County, because there are so many postoffices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, he particular to give the number of the article as well as the name. The best way to send money is by Postofilee Money Order, in which case it may be gent at our risk.

If your local Postoflice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Maney Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps inclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drug, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

par The articles mentioned on this page are only a portion of our premiums. If you desire a complete list-and it will be to your advantage to have it-send us a postal card asking for it, and it will be sent you free of charge. In all cases, address

tinue this offer indefinitely, yet it is possible that since our profits are so small we may feel obliged to discontinue it without notice, named "Elgin's Pride." ## KEY-CHAIN.

There is represented in accompanying cut the latest novelty in gentlemen ewelry, which is a chain, made of aluminum, for carrying a bunch of keys or a pocket-knife without possibility of loss. It 17 inches long, besides the attachments at either end. It is so light that it will float in salt water. It looks like silver and never tarnishes. Upon one end of the chain is a loop to slip over the suspender-button on the right side, and at the other end is a selflocking clasp, from which a key-ring cannot escape, and, indeed, cannot be removed except by one who is familiar with the working of the puzzle-like discs.

The chain is long enough that the bunch of keys or other implement may be carried to the hip pocket and used without removing it from the chain. This is a capital and ndeed, necessary article for absent-minded people and boys who lose their knives. It will be sent postpaid to any subscribe?
